

## Ada County Highway District

### 2011 Vehicle Registration Fee School Crosswalks and Curb Ramps

*The following locations will receive upgrades to the pedestrian curb ramps to make them compliant with Americans with Disabilities Act (ADA) standards. In some cases a ramp is not present; in others the ramp is not ADA compliant. Locations were identified by the school districts in which they are located. Some locations will receive updated crosswalk striping and in some cases crosswalks will be re-located to better align with the new pedestrian ramps. New crosswalk locations will be created in some locations.*
