

2022 PROJECTS

North End & Downtown

Please find project descriptions on the back of this flier.

This map is not all inclusive and only includes ACHD's larger projects in the area. Routine maintenance projects and utility work are not reflected.

1

13th Street Traffic Calming Ph 1

Fort St. to Hill Rd.

February thru June 2022

Install enhanced pedestrian crossings at Resseguie, Sherman, Heron, Hazel, and Bella streets, radar speed limit signs near Irene and Fort streets, and replace the sidewalk along the west side of Camel's Back Park.
