**Project Description**

Alternative 1 (Improved Signalized Intersection) widens the existing 3x3 signalized intersection. Alternative 1 includes the following design features:

- **Right turn lane on all approaches.**
- **Dual Left turn lanes on southbound Linder Road.**
- **Median Curb on north leg of Linder Road and west leg of Deer Flat Road.**
- **Curb, gutter, and sidewalk.** Proposed sidewalks extend to match existing sidewalks on the east leg of Linder Road and the south leg of Deer Flat Road.
- **Right turn lane into Reed Elementary.**

**Legend**

- **Median**
- **Sidewalk**
