

Capitol Boulevard Concept Workshops

MARCH 5, 2015

The Ada County Highway District (ACHD), in cooperation with the City of Boise and Boise State University, is working on a plan to make Capitol Boulevard between the Boise River and the Rose Hill/Federal Way area easier and more convenient to use for people walking, biking and driving.

Project Objectives

- Improve comfort and safety for people walking and biking
- Reduce pedestrian crossing times
- Minimize impacts to motor vehicle operations
- Maintain access to local businesses

Stay involved!

Visit <http://bit.ly/CapBlvd> where you can take the survey and sign up to have updates on this concept sent to your e-mail address.
