

What Would You Like to See?

Please use the materials at this station to tell us your concerns and ideas for the corridor.

What issues do you encounter using the corridor?

Map Comments

- Place a numbered sticker on the map in the area you would like to comment.
- Write your sticker number and comment on the flip chart next to the map.

On-Line Comments

- Use the computer provided to add your comments to the on-line interactive map.

What would you do to improve Capitol Boulevard?

Sketch Ideas

- Using the map hand-outs, draw your ideas for improvements to the corridor.

Cross Section Tool

- Use the magnetic board to see how much space is needed for your project ideas.

What happens next?

- All ideas will be evaluated by the project team for feasibility and alignment with the project purpose and then evaluated against the project objectives and other criteria (e.g., cost).
- The results of this evaluation and the recommended project alternative will be presented at the next public workshop in June.
