GRIEVANCE

Access issues generally fall into one of three categories. Please indicate which category best describes your issue:

☐ Physical/Architectural Access – The issue is related to a physical barrier, for example, a wheelchair ramp or curb ramp is needed, sidewalks are damaged and/or inaccessible, counters are too high for wheelchair users, missing braille signage, etc.

☐ Programmatic Access – The issue is related to being able to participate in a program, service, or activity. For example, is there a policy, practice, and/or procedure that you allege does not provide an equally effective opportunity for persons with disabilities to participate in or benefit from ACHD’s programs and services?

☐ Communication Access – The issue is related to communication, including the need for auxiliary aids and services, a sign language interpreter, or Communication Access Real-Time Translation (CART) materials in alternative formats, in order to have equal access to information and communication with an ACHD department’s programs, services, or activities.

**Ada County Highway District Grievance Procedure under The Americans with Disabilities Act**

This Grievance Procedure is established to meet the requirements of the Americans with Disabilities Act of 1990 ("ADA"). It may be used by anyone who wishes to file a complaint alleging discrimination on the basis of disability in the provision of services, activities, programs, or benefits by the Ada County Highway District (ACHD). ACHD's Personnel Policy governs employment-related complaints of disability discrimination.

The complaint should be in writing and contain information about the alleged discrimination such as name, address, phone number of complainant and location, date, and description of the problem. Alternative means of filing complaints, such as personal interviews or an audio recording of the complaint, will be made available for persons with disabilities upon request.

The complaint should be submitted by the complainant and/or their designee as soon as possible but no later than 180 calendar days after the alleged violation to:

Ryan Fisher, ADA Coordinator  
Maintenance Department  
Ada County Highway District  
3775 Adams Street  
Garden City, ID 83714  
Phone: (208) 387-6228  
Fax: (208) 387-6391  
Email: rfisher@achdidaho.org  
TTY: in progress

Within 10 calendar days after receipt of the complaint, Ryan Fisher or his designee will meet with the complainant to discuss the complaint and the possible resolutions. Within 15 calendar days of the meeting, Ryan Fisher or his designee will respond in writing, and where appropriate, in a format accessible to the complainant, such as large print, braille, or audio recording. The response will explain the position of the Ada County Highway District and offer options for substantive resolution of the complaint.

If the response by Ryan Fisher or his designee does not satisfactorily resolve the issue, the complainant and/or their designee may appeal the decision within 10 calendar days after receipt of the response to the ACHD Director or their designee.

Within 15 calendar days after receipt of the appeal, the ACHD Director or their designee will meet with the complainant to discuss the complaint and possible resolutions. Within 15 calendar days after the meeting, the ACHD Director or their designee will respond in writing, and, where appropriate, in a format accessible to the complainant, with a final resolution of the complaint.

All written complaints received by Ryan Fisher or his designee, appeals to the ACHD Director or their designee, and responses from these two offices will be retained by the Ada County Highway District for at least three years.
