ACHD Self-Evaluation and Transition Plan
Appendix G: Locations of Existing or Planned Accessible Pedestrian Signals

Adopted April 2019 by Resolution 2272
This page intentionally left blank.
Accessible Pedestrian Signal (APS) Locations
Effective May 2018, the following is a list of APS priorities per the ACHD ADA Advisory Committee. APS differs from typical crossing beacons by communicating information in non-visible formats (i.e., audible tones and vibrotactile surfaces) as well as visible formats. The prioritization will determine the timing of installation and maintenance of the signals.
