4.0 ADA Policy and Complaint Procedure

A review was conducted of the current ACHD procedures for ADA-based complaints. These procedures were compared to the “ADA Best Practices Tool Kit for State and Local Governments” to assess alignment with best practices identified by the U.S. Department of Justice. The assessment indicated that ACHD does not publish a notice as recommended, and the existing grievance procedure needed an update to align with best practices. This section provides the text of the notice and the updated grievance procedure. Appendix F includes the new grievance procedure and associated form.
