TOOLS WE WILL USE TO...

Keep everyone moving
- Directional signage
- Safe passage for pedestrians
- Temporary traffic signal at Maple Grove and Desert
- Construct a bypass around the bridge at Five Mile Creek to keep traffic flowing
- Advance notice of road closures, lane restrictions, shifting traffic patterns, etc.
- Flaggers
- Coordination with schools, neighborhoods, businesses, and the Boise Fire and Police Departments

Support local businesses
- Keep businesses accessible
- Limit interruptions to ingress/egress and coordinate with businesses in advance
- Provide businesses with construction information and email updates
- Provide leaflets/maps as needed
- Provide additional roadway signage in construction zone to direct traffic to driveways
- Encourage construction workers to frequent nearby businesses
- Monthly progress meetings

Inform and minimize impacts to commuters and neighborhoods
- Monitor and address cut-through traffic
- Minimize nighttime work in residential areas
- Contractor will host project update meetings
- Post construction updates on social media
- Email updates

STAY INFORMED!
