Hello Neighbors!

Thank you for attending tonight’s open house. The purpose of this open house is to give you an opportunity to:

- Learn about the East Boise Neighborhood Bicycle and Pedestrian Plan.
- Use the maps to show us where you think improvements can be made for walking and biking in the East Boise area.
Purpose of Plan

Give you an opportunity to tell ACHD and the City of Boise what issues, concerns and ideas you have related to walking and bicycling in your neighborhood.

Based on your feedback, the plan will identify projects and priorities that can be implemented by ACHD or the City.
