Hello Neighbors!

Thank you for attending tonight’s open house. The purpose of this open house is to give you an opportunity to:

- Learn about the Eagle Neighborhood Bicycle and Pedestrian Plan.
- Review the maps to provide feedback on the proposed walking and biking improvement projects in the Eagle area.*

*Please note that ACHD does not have jurisdiction over State Highways.
Purpose of Plan

Give you an opportunity to tell ACHD and the City of Eagle what you think about the proposed projects (e.g., sidewalk, bike lanes) and whether we missed anything important.

Based on your feedback, the plan will identify projects and priorities that can be implemented by ACHD or the City.
