

MEDIAN ISLANDS

Kootenai/Orchard: Median Islands

Kootenai/Roosevelt: Median Islands

In Areas with Median Islands

No on-street parking in immediate area

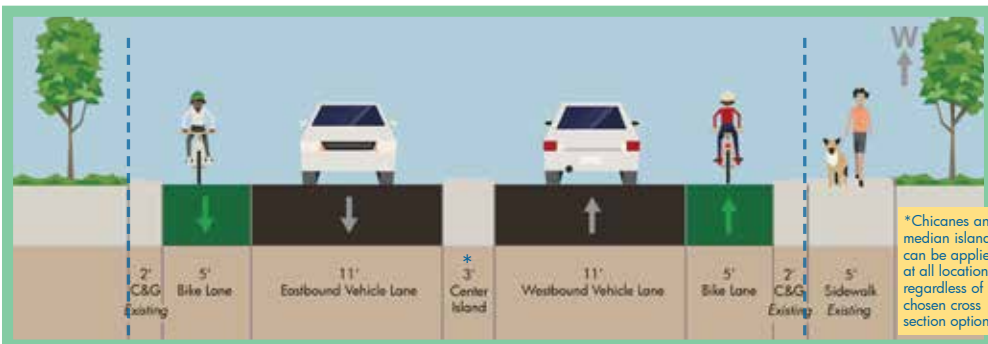

Raised medians are used as traffic calming features to briefly narrow the traveled way in mid-block locations

Median Islands Example

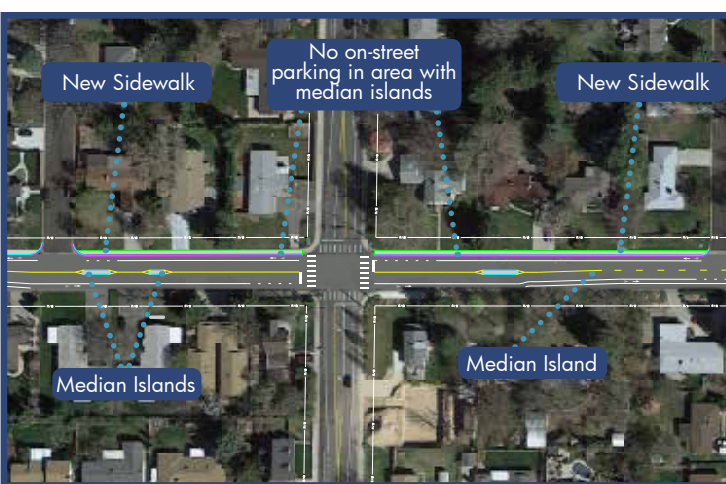

Kootenai/Orchard; Kootenai/Roosevelt: Medians, bike lanes

- Adds a 3 foot wide center island
- Converts parking lanes to bike lanes

*Chicanes and median islands can be applied at all locations regardless of chosen cross section option.

Kootenai/Latah - Median Islands

Kootenai/Vista: Median Islands

Kootenai/Latah; Kootenai/Vista: Medians, bike lanes, north side sidewalk

- Adds a 3 foot wide center island
- Widens bike lanes
- Adds a sidewalk to north side of the street

*Chicanes and median islands can be applied at all locations regardless of chosen cross section option.
