HELLO!

Thank you for taking the time to learn more about the Lake Hazel and Eagle Intersection Project.

The purpose of this information is to give you an opportunity to:

LEARN about the project.

TELL US what you think.

CONSTRUCTION IS CURRENTLY PLANNED FOR 2022.
PROJECT PURPOSE

Increase safety for those that walk, bike and drive

Improve traffic flow

Accommodate future traffic
PROJECT DESCRIPTION

DRIVING

Widen and signalize the Lake Hazel and Eagle intersection

Add dual left-turn lanes on most approaches

Include additional thru lanes

Add dedicated right turn lanes on two approaches
PROJECT DESCRIPTION

WALKING + BICYCLING

Install curb, gutter and sidewalks. Most of the sidewalk will be buffered, except for one section on Lake Hazel Road.

Include painted crosswalks

Construct buffered bike lanes
PROJECT CONSIDERATIONS

- Safety for those that walk, bike and drive
- Property and neighborhood impacts
- Impacts to traffic flow
- Utilities
- Current and future development
PROJECT TIMELINE

SPRING 2020
- Begin design

FALL 2020
- Seek public input

2021
- Refine design
- Purchase property necessary for project

2022
- Construction

WE ARE HERE
TRAFFIC VOLUMES
MORNING

The numbers below represent the approximate number of vehicles entering the Lake Hazel and Eagle intersection during the peak morning hours.

- **Existing**
  - 950 vehicles

- **2040 Projections**
  - 3,500 vehicles

950 VEHICLES

3,500 VEHICLES
TRAFFIC VOLUMES
EVENING

The numbers below represent the approximate number of vehicles entering the Lake Hazel and Eagle intersection during the peak evening hours.

**Existing**
1,200 vehicles

**2040 Projections**
4,500 vehicles
BUFFERED BIKE LANE

ACHD’s Roadways to Bikeways Master Plan calls for more robust bike lanes along these types of roadways.

BUFFERED BIKE LANES:

Utilize a painted buffer to provide more space between vehicles and bicyclists, which increases safety.

Are used on roads with higher speeds and traffic volumes.
OTHER PROJECTS IN THE AREA

There are many projects planned for this area over the next five years.

Click on the map on the right to go to ACHD’s interactive Integrated Five-Year Work Plan map where you can learn about additional projects and anticipated timelines.
WHAT DO YOU THINK?

Thank you for taking the time to review the information about the Lake Hazel and Eagle Intersection Project. The next step is to review the design slides and then tell us what you think.

While your comments are always welcome, they can be best used if received by October 16, 2020.

After the comment period closes, ACHD will review and address the comments received from the public.
