June 16, 2015

To: ACHD Commission
From: Kaci Bader, Development Review Coordinator
Subject: Final Plat: Newton’s Nook Subdivision No. 3
Project Number: FPLT15-0055
Meeting Date: June 24, 2015

FACTS & FINDINGS:
1. Newton’s Nook Subdivision No. 3 is a 2 buildable lot residential subdivision on 0.20 acres. This site is located at SW 5th Avenue and W. Pennwood Street.

2. The applicant is Pennwood III, LLC and the principal for the applicant is Matt Newton, Member.

3. The preliminary plat was approved on May 20, 2015. All conditions of the preliminary plat have been satisfied.

RECOMMENDATION:
1. Approve the final plat of Newton’s Nook Subdivision No. 3 and authorize the President to endorse.

SIOLOCHI
200 S. WASHINGTON AVE

 accelerations on the new bridge design have been considered. A review of the proposed design has been conducted, and the design has been modified to ensure that accelerations are within acceptable limits.

The bridge will be designed to accommodate the expected traffic volume and to ensure safety and durability. The design will incorporate the latest engineering standards and practices to ensure the structural integrity and longevity of the bridge.

The project will be watched closely to ensure compliance with all safety and regulatory requirements. The design and construction of the bridge will be monitored by the appropriate authorities to ensure that the project meets all necessary standards and guidelines.

         Newton's Nook No. 3

The Ada County Highway District (ACHD) has reviewed the submitted application for the application referenced above and has determined that there are no improvements required to the adjacent street(s).

The applicant shall be required to:

1. Pay a traffic impact fee. If applicable, a traffic impact fee may be assessed by ACHD and will be due prior to the issuance of a building permit by the lead agency. This is a separate review process and it is the applicant's responsibility to submit plans directly to ACHD.
2. Comply with all ACHD Policies and ACHD Standard Conditions of Approval for any improvements or work in the right-of-way.
3. Obtain a permit for any work in the right-of-way prior to the construction, repair, or installation of any roadway improvements (curb, gutter, sidewalk, pavement widening, driveways, culverts, etc.).

If you have any questions, please feel free to contact me at (208) 387-6335.

Sincerely,

Austin Miller

</tr>
</tbody>
</table>

* Acceptable level of service for a two-lane collector is “D” (425 VPH).

Average Daily Traffic Count (VDT):
*Average daily traffic counts are based on ACHD’s most current traffic counts*

- The average daily traffic count for SW 5th Avenue north of Pennwood Street was 1468 on 9/1/2009.
- The average daily traffic count for Pennwood Street east of SW 5th Avenue was 1112 on 9/1/2009.
Standard Conditions of Approval

1. All proposed irrigation facilities shall be located outside of the ACHD right-of-way (including all easements). Any existing irrigation facilities shall be relocated outside of the ACHD right-of-way (including all easements).

2. Private Utilities including sewer or water systems are prohibited from being located within the ACHD right-of-way.

3. In accordance with District policy, 7203.6, the applicant may be required to update any existing non-compliant pedestrian improvements abutting the site to meet current Americans with Disabilities Act (ADA) requirements. The applicant's engineer should provide documentation of ADA compliance to District Development Review staff for review.

4. Replace any existing damaged curb, gutter and sidewalk and any that may be damaged during the construction of the proposed development. Contact Construction Services at 387-6280 (with file number) for details.

5. A license agreement and compliance with the District's Tree Planter policy is required for all landscaping proposed within ACHD right-of-way or easement areas.

6. All utility relocation costs associated with improving street frontages abutting the site shall be borne by the developer.

7. It is the responsibility of the applicant to verify all existing utilities within the right-of-way. The applicant at no cost to ACHD shall repair existing utilities damaged by the applicant. The applicant shall be required to call DIGLINE (1-811-342-1585) at least two full business days prior to breaking ground within ACHD right-of-way. The applicant shall contact ACHD Traffic Operations 387-6190 in the event any ACHD conduits (spare or filled) are compromised during any phase of construction.

8. Utility street cuts in pavement less than five years old are not allowed unless approved in writing by the District. Contact the District’s Utility Coordinator at 387-6258 (with file numbers) for details.

9. All design and construction shall be in accordance with the ACHD Policy Manual, ISPWC Standards and approved supplements, Construction Services procedures and all applicable ACHD Standards unless specifically waived herein. An engineer registered in the State of Idaho shall prepare and certify all improvement plans.

10. Construction, use and property development shall be in conformance with all applicable requirements of ACHD prior to District approval for occupancy.

11. No change in the terms and conditions of this approval shall be valid unless they are in writing and signed by the applicant or the applicant’s authorized representative and an authorized representative of ACHD. The burden shall be upon the applicant to obtain written confirmation of any change from ACHD.

12. If the site plan or use should change in the future, ACHD Planning Review will review the site plan and may require additional improvements to the transportation system at that time. Any change in the planned use of the property which is the subject of this application, shall require the applicant to comply with ACHD Policy and Standard Conditions of Approval in place at that time unless a waiver/variance of the requirements or other legal relief is granted by the ACHD Commission.
