TO: ACHD Board of Commissioners & Bruce S. Wong, Director

FROM: Lorie Williams, Right-of-Way Agent/ Real Estate Management Specialist Real Estate Section

SUBJECT: Public Hearing Declaring the following ACHD Owned Property to be Surplus Property and Directing Sale: 870 S. Locust Grove Road, Meridian.

AGENDA ITEM – September 7, 2016, Commission Meeting

FACTS & FINDINGS:

(1) The Ada County Highway District ("ACHD") is the owner of real property located in Ada County, Idaho, more particularly described on Exhibit “A” attached hereto (the “Subject Property”)

(2) The municipal address of the Subject Property is 870 S. Locust Grove Road, Meridian, is depicted on Exhibit "B" attached hereto.

(3) The Subject Property is not right-of-way required for any Project or any future planned expansion of the adjoining ACHD public right-of-way, and in no other respect is it needed by ACHD in connection with the performance of its highway or other statutory responsibilities.

(4) An independent appraisal of the Subject Property set the fair market value to be $$196,500.00.

(5) Within the meaning of Idaho Code, section 40-1309, the Subject Property is no longer useful to ACHD and it is surplus property. It is in the best interests of the District that the Subject Property be sold as surplus property.

(6) Before ACHD can sell or exchange the Subject Property as surplus property, Idaho Code, section 40-1309, requires that the Commission conduct a public hearing at which any person may appear and show cause that the subject property is still useful to the District and that the proposed sale or exchange of the subject property should not be made. If the Commissioners
determine that the sale or exchange of the Subject Property is in the best interests of the District, the Commission shall adopt resolution #2157 finding that the Subject Property is no longer useful to ACHD and finding that the Subject Property is surplus property and that it should be sold or exchanged and establishing the procedures for the public sale.

(7) The public hearing on this matter is scheduled for September 7, 2016 at 12:00 pm. Notice of the public hearing was published in accordance with Idaho Code, section 40-206 and is attached hereto as Exhibit “C”.

(8) Absent cause being shown at the scheduled public hearing that the Subject Property is still useful to the District and why the sale of the Subject Property should not be made, after the public hearing is closed staff recommends that the Subject Property be declared surplus property with a determined fair market value of $196,500.00 and that it be found to be in the best interests of the ACHD and it patrons that the Subject Property be offered for sale as surplus property.

(9) Before the District disposes of the Subject Property at public sale it must first notify any person who owns real property which is contiguous with the Subject Property that they have first option to purchase the Subject Property for an amount not less than the current determined fair market value. Staff recommends that if an owner of real property which is contiguous with the Subject Property agrees to purchase the Subject Property for an amount not less than the current determined value, the Director be authorized and directed to execute the contract of sale and any other documents required to complete the transaction, and the President of the Commission be authorized and directed to execute the Quitclaim Deed without further notice and without further action by the Commission.

(10) If the Subject Property is not purchased by any person who owns real property which is contiguous with the Subject Property and a public sale becomes necessary, staff recommends that the terms and requirements of the public sale should be:

   a. the public sale shall be by solicited sealed bids.

   b. the minimum bid shall be not less than one hundred percent (100%) of the current determined fair market value of the Subject Property.

   c. the high bidder shall pay to ACHD 10 percent (10%) of the purchase price by cash or cashier’s check drawn on a national or state of Idaho chartered bank, by 4:30pm on the day of the auction with the remainder due at closing, not more than 90 days after the day of the auction;

   d. upon receipt of full payment, ACHD will convey title to the Subject Property “as-is” without warranty of any kind, by Quitclaim Deed;

   e. ACHD reserves the right to reject any and all bids presented at the auction.

(11) If ACHD is unable to sell the Subject Property to the owner(s) of contiguous property or at the public sale, Staff recommends that the Chief of Staff be authorized and directed to negotiate the sale of the Subject Property by public or private sale, at a price not less than the
determined fair market value, or at a price less than the determined fair market value with Commission approval.

(12) A proposed form of Resolution is attached hereto as Exhibit “D”.

FISCAL IMPACT

ACHD will convert an asset it has no use for into cash that it can use for highway purposes.

ALTERNATIVES:

1. Adopt the attached Resolution #2157 finding that the Subject Property is no longer useful to the Ada County Highway District or necessary for its use, and finding that the Subject Property should be sold or exchanged and establishing the procedures for the public sale.

2. Do not find that the Surplus Property is no longer useful to ACHD and/or necessary for its use and take no further action.

RECOMMENDATIONS

Recommend the Board adopt Alternative 1.
