FROM: Ryan Head, Transportation Funding Coordinator

SUBJECT: Key No. 12366, State Street, SH 16 to 17th Street, Intelligent Transportation System (ITS) Project - State/Local Agreement (SLA) with the Idaho Transportation Department

Staff Memo for March 9, 2011 Commission Meeting – Consent Agenda

---

Executive Summary
This SLA sets out the responsibilities of the parties in the development phase of the State Street ITS project. Project design will be completed in FY2011 with construction in FY2012. The Agreement must be signed before $120,000 in design funds can be obligated for the project. A separate SLA for construction of the projects will return to the Commission by FY2012.

Facts & Findings
This project will install ITS devices on State Street, between SH 16 and 17th Street, including closed circuit television cameras, speed detection systems, fiber optic communications cable, dynamic message signs, upgraded traffic signal controllers, and re-time traffic signals. The design phase will only cover work being completed by ACHD. This project will be completed as a companion to a Valley Regional Transit (VRT) technology project on State Street and will implement one of the near term improvements identified in the State Street Traffic and Transit Operations Plan (TTOP).

Fiscal Implications
Funding is through the Surface Transportation Program – Transportation Management Area (STP-TMA). STP funding requires a 7.34% local match.

ACHD is responsible for paying the cost of design and will be reimbursed up to 92.66%. Once Federal funds are expended, if the project does not move forward to completion, ACHD will be responsible for repayment of those funds.
**Policy Implications**
ITD has not provided a definitive answer about what ITS assets they will allow to be installed between Glenwood and SH 16. ITD District 3 has expressed reluctance to commit to maintaining ITS improvements that ACHD constructs on the State Highway system. This will be clarified before design begins.

Moving forward with this project will demonstrate ACHD’s commitment to work with project partners in the implementation of the State Street TTOP Implementation Plan. Furthermore, the project benefits ACHD through implementation of the Treasure Valley Intelligent Transportation Systems (ITS) Strategic Plan objective to provide efficient integration of ITS on priority corridors within Ada County.

By signing this agreement, it continues ACHD policy of seeking outside funding sources to supplement general funds.

**Alternatives**
1. Approve the State/Local Agreement between ACHD and ITD.
2. Reject the agreement and direct staff to renegotiate the terms of this agreement with ITD.

**Recommendation**
Approve the State/Local Agreement between ACHD and ITD. Authorize Commission President to sign the Agreement.

7. That the Sponsor shall insert the clauses of Attachment 2 of this Agreement, as a covenant running with the land, in any deed from the United States effecting a transfer of real property, structures, or improvements thereon, or interest therein.

8. The Sponsor agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Act, the Regulations, and this agreement.

The format for the Title VI review will be provided each year to the Sponsor for completion. A determination of compliance will be made by ITD's EEO Office based on the information supplied in the review. This review of the Sponsor's Title VI Program may also include an on-site review in order to determine compliance.

Complaints shall be in writing and shall be signed by the complainant and/or the complainant's representative. Complaints shall set forth as fully as possible the facts and circumstances surrounding the claimed discrimination. In the event that a person makes a verbal complaint of discrimination to an officer or employee of the Sponsor, the person shall be interviewed by the Title VI Coordinator. If necessary, the Title VI Coordinator will assist the person in reducing the complaint to writing and submit the written version of the complaint to the person for signature. The complaint shall then be handled according to the Sponsor's investigative procedures.

Within 10 days, the Title VI Coordinator will acknowledge receipt of the allegation, inform the complainant of action taken or proposed action to process the allegation, and advise the complainant of other avenues of redress available, such as ITD and USDOT.

The Sponsor will advise ITD within 10 days of receipt of the allegations. Generally, the following information will be included in every notification to ITD:

a) Name, address, and phone number of the complainant.
b) Name(s) and address(es) of alleged discriminating official(s).
c) Basis of complaint (i.e., race, color, national origin or sex)

The complaint should be resolved by informal means whenever possible. Such informal attempts and their results will be summarized in the report of findings.

Within 90 days of receipt of the complaint, the Sponsor’s authorized representative will notify the complainant in writing of the final decision reached, including the proposed disposition of the matter. The notification will advise the complainant of his/her appeal rights with ITD, or USDOT, if they are dissatisfied with the final decision rendered by the Sponsor.
