

### Bicycling

Bicyclists have two options for turning left onto Victory Road from Cole Road, depending on skill and comfort level.

- 1 Dismount and use the pedestrian crossings.
- 2 Make a two-stage left turn
  - When the traffic signal for vehicles turns green, bicyclists on Cole Road should proceed across the intersection and stop in front of the bike lane on Victory. When the traffic signal for Victory turns green, the bicyclist can proceed across the street with motor vehicle traffic.

*In both scenarios, always yield to pedestrians.*

# Cole & Victory ThrU-Turn

Learn how to use the new intersection at Cole and Victory.

The ThrU-Turn intersection improves safety and reduces wait times by moving left-turning vehicles away from the intersection.

STINKER STATION

COLE ROAD

PRIMARY HEALTH

**Trucks**

The U-turn is designed so large vehicles and trucks can make the U-turn.

DUTCH BROS

VICTORY ROAD

**ThrU-Turn**

Instead of turning left at the intersection, left-turning traffic on Cole Road will do the following:

**Southbound**

- Continue through the intersection
- Perform a U-turn at a downstream traffic signal
- Head back toward the intersection
- Make a right turn onto Victory Road

**Northbound**

- Make a right turn onto Victory Road
- Perform a U-turn at a downstream traffic signal
- Head back toward the intersection and proceed straight thru
