

What's Next?

THANK YOU for attending our open house!

- ACHD will use the input collected this evening to choose a recommended alternative.
- The recommended alternative will be taken to the ACHD Commission to be considered for adoption (Spring 2019). This will be another opportunity for public input.
- Additional opportunities for public involvement will be provided during the design phase of the project.
- Materials from tonight's open house and a short survey will be available online at bit.ly/linderroad.
- While your comments are always welcome, they can be best used if received by **December 17, 2018**.
