Purpose of Plan

The Ada County Highway District (ACHD) and the City of Meridian are seeking your input about bicycle and pedestrian needs in the North Meridian area.

ACHD relies on your input to prioritize projects that will improve walking and bicycling experiences in your neighborhood.

Based on your feedback, the plan will identify projects and priorities that can be implemented by ACHD or the City.

- Vehicle registration fees

Federal, state and city grants are also sometimes available for funding.

Projects generally do not require additional contributions from the neighborhood.
