Thank you for attending tonight’s open house. The purpose of this open house is to give you an opportunity to:

• Learn about the Boise Whitewater + VMP Neighborhood Bicycle and Pedestrian Plan.

• Use the maps to show us where you think improvements could be made for walking and biking in this area.
Purpose

• Give you an opportunity to tell ACHD and the City of Boise what issues, concerns and ideas you have related to walking and bicycling in your neighborhood.

• Based on your feedback, the plan will identify projects and priorities that may be implemented by ACHD or the City.
